**Note:** It is recommended that foundation stage children should have a spare set of clothes in their school bag every day. As per the school policy (7.39) students should dress appropriately in school uniform at all times. Dress should never distract from school activities or prove a hazard to the students safety or the safety of others. If a student is not appropriately attired or exhibits grooming which constitutes a distraction or disturbance to the school environment, the student may be sent home and not be readmitted until he/she is properly attired or groomed.

Grooming includes appropriate hair style - short and smart for boys and tied back for girls if they have long hair.  
\*Caps and hats must be worn during the hotter months whilst playing outside.
